Dear Dottie and Billy,

We want to thank you again for all your help with getting the info to arrange our wedding in Jefferson. It was a great place to get married.

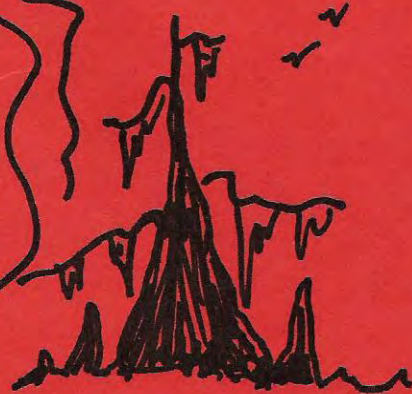

Uncertain, Texas lived up to the Tejas name because we never came across one unfriendly person it was a nice change.

Water Lily @ Spatterdock was everything and more that we could have ask for. The surroundings were so spectacular, mystical and breath taking the beauty of the bald cypress trees draped in Spanish moss. The water's surface that was abundant with colorful lily pads yielding yellow and white blooms. To be able to see and hear the herons, egrets, Fish Crows, Red-shouldered Hawks, Barred Owls, And to see the Pileated Woodpecker and my new friends the otters. "Goose Prairie," is a one of a kind in the world. We can't wait to spend time there in all the seasons of the year.

Dottie, you have created the  
perfect environment for stimulating the  
artistic in all of us. Thanks for being the  
epitome of hostesses!

Water Lily is delightful to stay  
in - charming, cozy, private.  
We loved our visit with you  
and hope to be repeat visitors  
soon - and often.

It just doesn't get better than this.  
It's the closest thing to Georgia we've  
found in Texas.  
See you soon. Ken + Harriet

Thanks Billy & Dottie! We've fallen in love with  
Duckweed and will be back to snuggle on the porch.

We've only been here for 48 hours in  
this quiet little hideaway - but just can't  
believe we found the best kept secret in  
East Texas. What a great place to recharge  
the batteries and enjoy nature at its best.  
Thanks so much for your warm  
hospitality. We'll definitely be back!

Fort Worth,

Spatterdock is a very special & romantic place. We hate to leave, but we will have our memories and we will be back soon. Lake Caddo - with all its beauty - is a gift from God. James & Donna-lee

This was the most relaxing break we've had in years. I especially loved the bathtub and also all the extra little touches you so thoughtfully provided. Take care of yourselves. We'll be back! - Sheri

Thanks Billy for the adventurous swamp ride we really enjoyed ourselves!

Darling place! We can't wait to come back. Kids had a great time fishing, boating & staying up late telling stories on the relaxing porch. Thanks for your hospitality! The small touches of decor make this a place to visit many, many times again! The Hancock's & family

Had a great weekend, very relaxing to "get away"

It brought back many good memories. The

We came to get away and that  
sure did HAPPEN - get away is  
mild - Very great complete with a
